LB 1172

the page over, we talk about waivers. Policies would be required, not permissive, would be required to waive fees and provide required items for students who qualified for free or reduced-price lunches if the fees or items are required in...required for participation in an extracurricular activity. Participation in a free or reduced lunch program would not be required, so you'd have to qualify for the program. You would not necessarily...the student would not necessarily have to participate in the free lunch...free or reduced lunch program. Policies for waiving fees would also be authorized in other circumstances as well. The next parts of this amendment are taken in large part from what was the original committee amendment and that is the following things. Is that schools would be required to establish, via a public hearing, a student fee policy. This policy would have to be the subject of a public meeting and would also have to be adopted by the school board. There's a list of items, I won't read it to you, that student fee policies would be required to include. And you...any fees charged for, for example, for extracurricular activities or for postsecondary educational costs and the rest of the items you see there. Another item, each school board would be required to establish a student fee fund. This is getting at the issue that we know very little, at least on a statewide basis, about what money is now being collected from students on fees. This would require each school board to keep track of those funds that are collected from students via fees, and it would also document that the money collected was expended for the purposes for which it was collected. There is a section in law currently which deals with eye protective devices, goggles. This is revised. Currently, this allows a school to charge for students and teachers for protective eyewear where it's required...

SENATOR CUDABACK: One minute.

SENATOR RAIKES: ...but provides such items free of charge to visitors. This would simply say that the school is required to provide these items for student teachers and visitors. And, finally, there is included in the amendment a severability clause. So this, I think, is...or I hope you've had an opportunity to look at this. We filed it a few days ago, the
